Dear Student: Thank you for taking the 2020 Stanly County Student survey!

This survey collects information about what students think about alcohol, drugs, and their school. It will only take about 20-25 minutes to complete. You are not required to take this survey if you do not want to, but if you do choose to take the survey, your answers will be very helpful to us.

Your answers will remain anonymous and will NOT be shared with your parents, your teachers, your school, or anyone else. You will not be asked to provide any identifiable information, including your name, birthday, or any other information that could identify you or link your responses to you. Completing this survey will not affect your grades or your relationship with your teacher, your school, etc. If you have any questions or concerns about this survey please contact Angela Allen, Executive Director, Center for Prevention Services at allen@preventionservices.org.

This is NOT a test. There is no right or wrong answers to this survey, but it is important that you answer each question honestly. Please, DO NOT put your name on this questionnaire.
